RE: IN RE WELLPATH HOLDINGS, LLC

# 24-90533

Clerk

I recently sent to your office my:

1. Objection to Wellpath Holdings LLC's  
Bankruptcy filing; and,
2. My Submission of Lien

For filing in the above referenced  
bankruptcy case. I requested copies  
of my documents be returned to me  
with the file markings of the Court  
once filed. As of 15 November 2024  
the date I filed, I have yet to receive  
my requested file marked copies.

I want to ensure my objection is filed so that if these bankruptcy proceedings allow Wellpath Holdings LLC to hide under bankruptcy law, when in fact their very own policies and procedures have lead to the injury and death of many many inmates across these United States, including myself, I want the right to appeal to a higher court any grant of bankruptcy. I plan to take this to the United States Supreme Court if necessary.

Companies like Wellpath Holdings LLC cannot be allowed to waltz to Texas, do the Texas-two-step, then hide behind bankruptcy when their own company created policies have lead to their indebtedness.

I again request file marked copies of my filings. Thank you in advance for your time and attention.

Respectfully  
Steve Price
